 MAKING IT UP AS ONE GOES ALONG  
 in Questions & Answers

#### MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had

to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

To  
 The Court of Appeal

Dear Sir/Madam

I just noted that the Automatic Response from the Civil Appeals Registry says not to reply to it as it will not be viewed. So I published my email in Daily Bulletin, tweeting it and posting it in United Kingdom as a Republic so that I can send a fresh communication to the Court of Appeal with an explanatory note: <https://www.knowledgeassessmentanddissemination.com/post/case-progression-ca-2023-000750>

So let me clarify. The nature of civil proceedings requires a litigant or an Appellant to keep track of his/her communications and refer to them to maintain continuity in developments and there was no other way for me to do so given the importance of early intervention from the Court that I was seeking. This procedure is all the more important when the Court has not replied to the initial submission as in my case.

In connection with this Appeal Your Honour would need also to know that the proceedings or failure thereof for the Medway County Court (J00ME572 Claim) and the County Court of Central London (E35YM660 Claim) to discharge their responsibilities on the primary litigation and now their Appeal at the Court of Appeal is a subject that is being petitioned on at the House of Commons Petition Committee with a view to review the entire Judicial and Law Enforcement processes of the State of the United Kingdom and on which I am due to receive a communication from the Committee at any time, as linked here:

<https://www.thelibertariandemocrats.com/post/reminder-notification-on-the-progress-of-the-petition-for-a-written-constitution-in-the-united-kingdom>

Finally, I have given an undertaking to Stripe (Payments UK) Bank that I should be able to furnish to the Bank details of the legitimacy of The Conservative Libertarian Party of the United Kingdom (TCLP-UK) so that the Bank can review its banking support to The Conservative Libertarian Publications Limited here: <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>

Accordingly, I should be grateful if on this Saturday morning the Duty Justices would attend to this communication in the interest of justice and send me an acknowledgment by email to this clarification provided for the benefit of all parties concerned in the Dispute.

Yours sincerely

Dear Stripe

For your information and deliberations, I have asked the Court of Appeal to adjudicate on the Dispute: hopefully it will come through within the 25-30 days that I promised Stripe yesterday to address the questions that are a stumbling block to the restoration of the full Banking Support that The Conservative Libertarian Publications Limited requires to progress into its mission of becoming a mass membership Cultural Republicanism Party in the United Kingdom.

Should Stripe have any fresh contributions to submit, I should be pleased to receive them this morning.

Yours sincerely

 I work to strict deadlines because I only have one life and so do not like wasting my time when facing road blocks on my travel journey, as for example in what I wrote to the Court of Appeal this morning: 'Accordingly, I should be grateful if on this Saturday morning the Duty Justices would attend to this communication in the interest of justice and send me an acknowledgment by email to this clarification provided for the benefit of all parties concerned in the Dispute!' That is what I meant by not being restricted. I am more than a Libertarian. I am a Conservative Libertarian with duties and responsibilities otherwise known as righteous actions of dharma Gemma.

Why not, but I do not wish to spend any money to get to where I need to be. I want an audience that finds me for what I write and do, I have made that clear in the past but I believe you did not receive the published explanation of this approach to living. It is not just budgeting, that is spend wisely, it is just commonsense not to waste time over it

Dear Dr. Panigrahi,

Thank you for your email.

We are experiencing a high volume of petitions to be checked at the moment, so it might take longer than the standard 10 working days for your petition to be checked.

I also wrote to you on Monday 25th November asking that you please do not copy us into any other correspondence, as this has nothing to do with the request of your petition.

My colleagues will be in touch to discuss the substance of your petition in due course.

Subject: Reminder

Dear Sir/Madam

1. I seem to have run into a brick wall of silence having aligned the due process-passage of the Petition (FrPetitionCommitteeHOC(Petition Awaiting Check for Standards)16Nov2024.docx) through the various institutions of the United Kingdom and including its thoroughfare at the various Courts that I attempted the resolution of the Dispute in that I sought.

2. It was my conclusion that the United Kingdom operates with an Absolute Monarchy (see publication THAT IS WHAT IS CALLED AN ABSOLUTE MONARCH-digital.pdf; so that there is no way through for the Petition to make progress given that tomorrow will be the 10th working day by which the Committee had seemingly promised that I would receive the outcome of its tentative deliberations on the technicalities of what is contained for the people of the United Kingdom.

3. I had accordingly reason to post the following material this morning in the website of The Conservative Libertarian Society:

<https://www.theconservativelibertariansociety.com/forum/main/comment/25c083ec-3792-46b9-a5c7-3e53c32c4d63?postId=6746e53ca21db172754253a5>

'If something is right, and you live another day, it is appropriate to pursue the righteous path : let destiny decide how far one goes in charting this path of navigation!'

4. If the Monarchical Establishment has blocked the Petition from gaining ground, this should be made clear in a written Statement from House of Commons to the people of this country.

5. I should kindly submit this reminder to the Petitions Committee accordingly.

Yours sincerely

To  
 The Court of Appeal

Dear Sir/Madam

I just noted that the Automatic Response from the Civil Appeals Registry says not to reply to it as it will not be viewed. So I published my email in Daily Bulletin, tweeting it and posting it in United Kingdom as a Republic so that I can send a fresh communication to the Court of Appeal with an explanatory note: <https://www.knowledgeassessmentanddissemination.com/post/case-progression-ca-2023-000750>

So let me clarify. The nature of civil proceedings requires a litigant or an Appellant to keep track of his/her communications and refer to them to maintain continuity in developments and there was no other way for me to do so given the importance of early intervention from the Court that I am seeking. This is all the more important when the Court has not replied to the initial submission as in my case.

In connection with this Appeal Your Honour would need also to know that the proceedings or failure thereof for the Medway County Court (J00ME572 Claim) and the County Court of Central London (E35YM660 Claim) to discharge the responsibilities on the primary litigation and now its Appeal at the Court of Appeal is a subject that is being petitioned on at the House of Commons Petition Committee with a view to review the entire Judicial and Law Enforcement processes of the State of the United Kingdom and on which I am due to receive a communication from the Committee at any time, as linked here:

<https://www.thelibertariandemocrats.com/post/reminder-notification-on-the-progress-of-the-petition-for-a-written-constitution-in-the-united-kingdom>

Finally, I have given an undertaking to Stripe (Payments UK) Bank that I should be able to furnish to the Bank details of the legitimacy of The Conservative Libertarian Party of the United Kingdom (TCLP-UK) so that the Bank can review its banking support to The Conservative Libertarian Publications Limited here: <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>

Accordingly, I should be grateful if on this Saturday morning the Duty Justices would attend to this communication in the interest of justice and send me an acknowledgment by email to this clarification provided for the benefit of all parties concerned in the Dispute.

Yours sincerely

Dear Sirs

This is the notification that I received which led me to consider that State authorities had sanctioned the processes of the legitimacy of The Conservative Libertarian Party of the United Kingdom (TCLP-UK) and the Petition for a Written Constitution in the United Kingdom:

Dear Stripe

For your information and deliberations, I have asked the Court of Appeal to adjudicate on the Dispute: hopefully it will come through within the 25-30 days that I promised Stripe yesterday to address the questions that are a stumbling block to the restoration of the full Banking Support that The Conservative Libertarian Publications Limited requires to progress into its mission of becoming a mass membership Cultural Republicanism Party in the United Kingdom.

Should Stripe have any fresh contributions to submit, I should be pleased to receive them this morning.

Yours sincerely

Dear Stripe

I only go by the evidence. There is no evidence that any legal proceedings is pending or being undertaken now by The Court of Appeal to examine the Particulars of Damages and

Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi vs Kent Police.pdf (attached) and E35YM660 at the County Court of Central London (Dr Shantanu Panigrahi vs Prime Minister of the United Kingdom). Furthermore there is no evidence that the House of Commons Petition Committee will discharge the proceedings on the Petition matter as attached (ToHOCPetitionsCommittee(Publication of the Original Petition is required without any delay that is immediately)30Nov2024.docx.

Under the circumstances, Stripe should consider the technicalities of the Banking Support to the Conservative Libertarian Publications Limited by itself and issue me with a final Statement to close the matter. This is because I have other things that I wish to get on with (THIS IS WHERE I SAY GOODBYE-digital.pdf attached), and cannot get bogged down to what has been a painfully long experience of developing TCLP-UK.

I trust that Stripe will accordingly now determine the outcome of this serious matter that has been turned into a charade by the powers that be of the State of the United Kingdom.

Dear Dr Mwanche/Dr Shah

Unfortunately, the State-organised terrorism on me has continued and I have cancelled my appointments with Jill Jesson, the psychotherapist who I consulted about the misdiagnosis of my mental health condition of paranoid schizophrenia by the Community Mental Health Team in Britton House, Gillingham Kent.

I have always contended through eConsult submissions that I am not only the sanest person in the world today but the sanest who has ever walked on the face of this Earth.

This needs to be examined before I agree to an appointment with Jayne East tomorrow morning at 9.00 am that I am hereby cancelling with the evidence of the torture below that I have been lately subjected to.

Dear Stripe

Thank you for this clarification of the email from Ask HR FrAsk HRReReYourenquiry"(1484590) has been solved)28Nov2024.pdf. I shall endeavour to get the information that you require together within the next 25-30 days as I am unwell at the moment, and my psychotherapist is in a hospital ward unable to conduct Zoom consultations. I have texted her about your emails to me so that she knows how suicidal they have made me feel. Dear Sir/Madam

1. I seem to have run into a brick wall of silence having aligned the due process-passage of the Petition (FrPetitionCommitteeHOC(Petition Awaiting Check for Standards)16Nov2024.docx) through the various institutions of the United Kingdom and including its throughfare at the various Courts that I attempted the resolution of the Dispute that I sought.

2. It was my conclusion that the United Kingdom operates with an Absolute Monarchy (see publication THAT IS WHAT IS CALLED AN ABSOLUTE MONARCH-digital.pdf; so that there is no way through for the Petition to make progress given that tomorrow will be the 10th working day by which the Committee had seemingly promised that I would receive the outcome of its tentative deliberations on the technicalities of what is contained for the people of the United Kingdom.

3. I had accordingly reason to post the following material this morning in the website of The Conservative Libertarian Society:

<https://www.theconservativelibertariansociety.com/forum/main/comment/25c083ec-3792-46b9-a5c7-3e53c32c4d63?postId=6746e53ca21db172754253a5>

'If something is right, and you live another day, it is appropriate to pursue the righteous path : let destiny decide how far one goes in charting this path of navigation'.

4. If the Monarchical Establishment has blocked the Petition from gaining ground, this should be made clear in a written Statement from House of Commons to the people of this country.

5. I should kindly submit this reminder to the Petitions Committee accordingly.

Lisa,

This might sound strange to you but I am not bothered about it. I am a mental patient on Mental Health Medications of risperidone antipsychotic, sertraline (anti-depressant) and Depakote (mood stabiliser) and do things erratically like this post which I wrote this morning:  
<https://www.knowledgeassessmentanddissemination.com/post/re-designing-and-re-developing-websites>

Unfortunately, my psychotherapist Jill Jesson is currently not well with some disorder that requires hospital visits, so the therapy has been shelved until she recovers from her illness. I am in touch with her to check on her progress periodically and keep her informed such as telling her that I have an appointment with the Mental Health nurse on 2 December 2024 at 9.00 am. My next appointment with Dr Oranusi of Britton House Community Mental Health Team is not until March 2025.

They think various conditions, some say that I have split mind, paranoid schizophrenia, others say it is persistent delusional disorder, still others say it is autism that is the most likely diagnosis on which I am awaiting an appointment as shown in the attached:  
FrASDNDReferral(Adult Autism Spectrum Disorder)30Jul2024.docx. I am not medically qualified to know the differences between these.

Hope this information is of value to you.

Good morning,

Thank you for your email. The patient details within the letter are those that were given on the referral form by the GP. If these are incorrect you will need to go back to the GP and have these corrected.

If these are not your details please provide me with your full name, date of birth and NHS number and i can look into whether a referral is open to our service for you.

Kind regards

Dear Sir/Madam

Whilst looking for the Client ID, I came across the covering letter that is attached for your investigation: Scan\_20240729.png.

Looks to me like a dirty tricks campaign as Rupa Panigrahi has never been referred for ASD/ADHD assessment.

Good morning,

Thank you for your email. Unfortunately, the Observer Form needs to be completed by someone other than yourself. There is a separate patient form where you will be able to fill in the relevant information from your perspective. We advise that if no family member is able to complete the observer, then possibly a friend that knew you in childhood. If this is also not an option then someone close to you now however, please note without a viable observer form this may have an impact on the decision made for consideration for assessment.

Your client ID is different from that of your NHS number and would have been provided when the questionnaires were sent to you.

Should you require any further information or assistance, please do not hesitate to contact us.

Dear Sir/Madam

Reference: Your communication FrAdULTSNDREFERRAL@NHS.NET27Jul2024.docx

I have ascertained that the Questionnaire Forms that were sent to our home yesterday were intended for me as I was first diagnosed through a Questionnaire Survey by Dr Odesanya of Britton House Gillingham, Kent in connection with a very long history of psychiatric and psychotherapeutic (Jill Jesson of Vitali-Chi hypnotherapy and regression) treatment and there were considerable doubts on as to whether I was paranoid schizophrenic with persistent delusional disorder or simply autistic with Attention Deficit Hyperactive Disorder. The latest Care Plan is attached: FrBrittonHouse(CarePlanfromEmmanuelOranusi)29Apr2024. Out of area Funding from Clinical Commissioning Group was approved for a referral to Maudsley Hospital in London for ASD assessment and following initial correspondence the assessment never took place for reasons that I do not understand.

I have just now started the process of completing the Autism Spectrum Quotient (AQ50) Form, and the ASD Assessment Observer Form, that you have sent but had one question: Could I fill in the latter Section myself because I have a good memory and as I do not know anyone else who has the necessary knowledge of my childhood and teenage experiences and conduct in India and in the United Kingdom in terms of my physical and mental development and history?

I understand also that in the Form the Client ID is my NHS Number.

I would be grateful for clarification as soon as possible.

Dear Stripe, yes, I am still interested even though we have been going round in circles for several months which got me nowhere in my quest to legitimise TCLP-UK as political party in the United Kingdom able to use my JOIN IT Membership Account so that people can use the JOIN tab to pay their Membership Fee and become a full member of the Party and we are then able to utilise funds to meet our costs of maintaining our websites and publishing our books under our business The Conservative Libertarian Publications Limited. As you are aware I have approached the Financial Ombudsman for an adjudication on why Stripe has restricted our Account such that when someone joins or attempts to join at <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk> Visa and Mastercard method of transaction is not permitted which halts the progress of our mission to grow awareness of a better way of organising society to almost a standstill for it is the clearest expression that the TCLP-UK is not accredited within the United Kingdom and no explanation in terms of Full Written Reasons that a Claimant is entitled to when the process has run into several years has been forthcoming from the Judicial authorities at Central London County Court and Medway Couty Court in terms of Directions for a Hearing that such a clear-cut dispute requires Listing, as shown in the link here: <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/who-is-there-in-the-united-kingdom-or-elsewhere-to-pass-judgment-on-the-legitimacy-of-tclp-uk-as-a-political-party>.

So as things stand this morning, Stripe is the Judge and Jury totally without institutional or judicial oversight. One can only surmise that the Monarchical Establishment is the authority but it is inaccessible to a private citizen.

Hey nipeka, That is very interesting and I believe that I could benefit from it for my Consultant Psychiatrist of old encouraged me to do mindfulness training but I was doing the opposite, that is mindlessness living. Tell me more of how it works for I do not have a psychotherapist at the moment for reasons that should be clear from the attached: THAT IS WHAT IS CALLED AN ABSOLUTE MONARCH-digital.pdf

**THAT IS WHAT IS CALLED AN ABSOLUTE MONARCH-digital.pdf**

You see I believe from self-analyses that one must not think, one must not search, one must not have attachments, one must not have aims, missions, plans, wishes, anticipations, expectations, hopes, desires, and above all one must not have ego. For as has been known great pride leads to great falls. So I got rid of my mind and found that I was still able to live and do the things that any person needs to do but do it with the perfection of a genius.

What is your take on this?
